

THE BUSINESS OF INTERNET

---

# THE BROADBAND WIRELESS EXPERIENCE

---

## Speed is of the Essence

**Zinia Broadband Wireless delivers responsive, reliable and stable wireless bundles that are affordable and designed to fit your requirements.**

# ZINIA WIRELESS

---

## *The Broadband Wireless Experience*

Zinia Broadband Wireless is the perfect fit for the business that wants bursts of speed and absolute reliability. This is the Internet, but not as you know it. Our 1:10 contention ratio delivers full speed Internet in variable bursts and asynchronous lines that deploy quickly and are priced perfectly for medium sized businesses who have a high demand for connectivity. Add to this the high international bandwidth to cope with the modern businesses growing demands.

## BROADBAND REDEFINED

When you opt into the Zinia Broadband Wireless experience you receive Internet at speeds of up to 100 Mbps and impeccable service. Who wants brilliant broadband without the best effort service, real-time monitoring and dedicated resources that Zinia delivers?

We also assure you of fast wireless connectivity on an easily upgradeable platform that can be transferred should you move. If property is about location, location, location, we're all about delivery to any location.

“

*You cannot afford to view connectivity as a commodity or as an expense, you need to view it as a business asset. As the industry continues to move towards video, VoIP, hosted PBXs and cloud, your business will become more reliant on the Internet. ”*

– Warren Bonheim, CCO, Zinia
