

THE BUSINESS OF INTERNET

PREMIUM FIBRE AND MICROWAVE

TRANSFORMS YOUR INTERNET EXPERIENCE

Zinia Premium Fibre and Zinia Premium Microwave assures you of 99% uptime on your Service Level Agreement as standard.

ZINIA PREMIUM FIBRE AND MICROWAVE

Zinia Premium Fibre and Zinia Microwave will transform the way your business experiences the Internet. It is the best you can get with direct fibre or microwave from your office to the Internet and a dedicated 1:1 connection. This means that you get 99% uptime SLA, 100% of the line speed, 100% of the time. No sharing of bandwidth, just total freedom of the “road”.

Gain access to 5 international cable systems, ensuring your business is always up.

**SYNCHRONOUS,
SCALABLE AND
SUPERLATIVE**

The Zinia Premium Fibre and Zinia Premium Microwave offering delivers a guaranteed uptime of 99%, catering for organisations that rely on consistency to perform effectively. In addition, our synchronous connection assures you of the blistering speeds your business needs for communication, collaboration and solutions-driven implementations.

Our download and upload speeds are simultaneous and the same, making this solution ideal for cloud, voice, Virtual Private Networks (VPN), and Multiprotocol Label Switching (MPLS) applications.

Take a journey with our Premium offering and experience dedicated resources, clear communication and feedback, consistent speeds and an always-on, fast and reliable Internet.

BENEFITS

The Zinia Premium Fibre and Microwave offering delivers the following benefits to your business:

- ✓ 1:1 dedicated connection
- ✓ 99% guaranteed uptime
- ✓ 100% international bandwidth to deliver same speeds both locally and globally
- ✓ Unshaped, which means your speed is not throttled or controlled for true 24/7 consistency
- ✓ Uncapped bandwidth means you can get on with business and not worry about data
- ✓ Scalable to 1Gbps without infrastructure investment
- ✓ Real-time monitoring
- ✓ Synchronous connection will give you the same speed on upload and download at the same time, great for cloud, voice, video, VPN and MPLS applications
- ✓ Licensed spectrum microwave delivers same quality of service as fibre
- ✓ Microwave faster to deploy than fibre

Zinia Premium Fibre and Zinia Premium Microwave is more than a connection, it's an experience. With us, you receive a synchronous line that's easily upgradeable across five international cables.

“

We are completely happy with our Premium fibre solution, we have not had a minute downtime since we had our fibre installed over a year ago.
